It is also rumored that a telenovela is in the works starring cumbia man as a rising Latin Pop star who gave it all up to perform cumbia for the incarcerated Gabuzzos as an act of charity.

The vanity plate production crew over at Rikers got so excited about the FABUZZO magazine that they staged a riot to seize the means of production by sliding down from the second tier on discarded license plates, causing pandemonium in the cell block. It was rumored that Noah “Lumpen Prole” Gabuzzo and Elissa “Pinko Dog” Gabuzzo were the instigators but that cannot be

verified. The only way the prison guards could find to calm them down was to ask Felipe “Cumbia Man” Gabuzzo to dj a Latin dance party in the common area which unexpectedly got the guards in such a good mood everybody got Furloughed, including cumbia man who immediately headed over to Lot radio district to do a show.

OUT OF TOWN GABUZZOS ALSO GOT A LITTLE ENTHUSIASTIC AND WERE SPOTTED BY GRINGO TOURISTS WHO SNAPPED THIS PHOTO.
